the North balcony. Welcome to all of you people from the Nebraska Legislature. We are glad to have you here. In the spirit of compassion, since we are in a compassionate mood, Senator Swigart asked that we announce the presence of his opponent in the last election, Tom Dugdale. Welcome to the Legislature, by some means or another. Mr. Clerk.

CLERK: Mr. President, your committee on Government to whom was referred LB 460 instructs me to report the same the recommendation it be advanced to General File as amended. Signed Senator Rasmussen, Chairman. Miscellaneous Subjects reports LB 414 to General File as amended. Signed Senator Anderson. Education refers LB 371 and LB 522 to General File as amended. Signed Senator Lewis. Judiciary refers LB 212 to General File as amended and LB 484 indefinitely postponed. Signed Senator Luedtke. Agriculture refers LB 333 to General File as amended and LB 535 to General File as amended. Signed Senator Schmit. Senator Fowler's Urban Affairs Committee reports LB 395 to General File as amended. Mr. President, a new bill, LB 267A, introduced by the Administrative Rules and Regulations Committee and signed by Senator Duis. Read title. That is all.

PRESIDENT: It is just about time that our agenda calls for us to leave General File. We, therefore, will go to Item 12 on your agenda which is Senator Warner's motion to raise LB 113.

CLERK: Mr. President, Senator Warner's motion is I move that LB 113 be placed on General File notwithstanding the action of the Committee. It had been previously indefinitely postponed by the Committee.

SENATOR WARNER: Mr. President, I so move. Mr. President and members of the Legislature, I have passed out to you a brief written document which I would like to go over in the essence of saving time. I am requesting your assistance to place LB 113 on General File notwithstanding the action of the Committee. The purpose of LB 113 is to repeal the authorization for hunting on roadside ditches. You will recall that LB 779 of the 1974 session permitted this kind of hunting. I am also including copies on the back sheet of my remarks when I attempted to have the bill indefinitely postponed. My major concern was because of the additional traffic hazards that could occur. The accident report which is also included herein shows that this accident resulting in a fatality. Page 2 of the report shows that the headon accident was the result of a car being parked along a county road. In visiting with the father of the driver of car #1, he indicated that the parked car had stopped just over the crest of a hill because they had seen a pheasant. I have substantiated this with the law enforcement officer who investigated the accident. Now in this particular instance, the car was to the side of the road. It, nevertheless, was the cause of car #2 swerving into the lane of oncoming traffic. In addition to this accident shown in this report, there have been other accidents within my area in which injuries were sustained and in all instances, the contributing factor to the accident was a vehicle which stopped to shoot a game bird. Also, in all instances, the car had stopped just
